## **Central Church of Christ Gifts Building to The Pantry for Adair County After Eight Years of Partnership**

### **Church will continue to provide access to parking lot and driveway**

**Kirkville, Missouri** - After eight years of generously providing free use of its out-buildings to The Pantry for Adair County (PAC), Central Church of Christ has officially gifted the buildings/property to support the pantry's long-term stability and mission of serving local families in need. This generous transfer marks a significant milestone in a longstanding partnership dedicated to reducing food insecurity in Adair County.

Since first opening its doors to the pantry, Central Church of Christ has played a vital role in helping volunteers safely store, sort, and distribute food to thousands of community members. By transferring ownership of the out-buildings and the land they sit on, the church is ensuring the pantry can continue operating without interruption and make long-term plans for growth and service expansion.

"We are incredibly grateful for Central Church of Christ's unwavering support," said Sarah Topp, President of the PAC Board. "Their generosity over the years—and especially this remarkable gift—has allowed us to focus entirely on meeting the needs of families across Adair County."

As part of its ongoing commitment to the pantry's work, Central Church of Christ will continue to provide access to the parking lot and driveway, ensuring smooth traffic flow for volunteers, clients, and delivery trucks.
